2022

holiday projects report

Neighbor for Neighbor

The Neighbor for Neighbor Coalition is a group of area agencies and organizations who act as a clearinghouse for holiday food and gift projects throughout Waldo County.

This program ensures that resources are shared and unduplicated so that the maximum number of families are helped during the holiday season. The coalition is coordinated by WCAP and most of the applicants receive holiday food boxes through our Heroes 4 Hunger food box project.

Heroes 4 Hunger

What comes in a holiday food box?

Our 2022 Thanksgiving boxes included:

- 10-12lb turkey
- 1 box of stuffing
- 5lbs of potatoes
- 2 cans green beans
- 1 can cranberry sauce
- A dozen rolls
- pumpkin pie
- 1lb carrots
- 1lb butter
- 2% milk
- 3lbs apples
- whipped topping

N4N Holiday food programs served:

2,327 individuals for Thanksgiving
&
2,871 individuals for Christmas

Made possible with support from local grocers...

The Heroes 4 Hunger program has continued to run through the Covid 19 pandemic thanks to the support of our local grocers, Tozier's Family Market in Searsport and Wentworth Family Grocery with locations in Brooks, Northport, and Swanville. Stores throughout the county act as box packing and distribution sites.

Volunteers make it happen!

Waldo CAP partners with faith and civic groups, schools, businesses, municipal emergency personnel, and many individual volunteers to implement annual holiday programs. Town offices, food banks and soup kitchens, healthcare providers, and churches help to spread the word about the program and make applications available throughout our community.
